Welcome!

Welcome to HES 100, Healthful Living Online! This 13-week class will give you the opportunity to explore many facets of your personal health and wellness. It is designed to give you a chance to reflect on your current health habits in a variety of areas (nutrition, fitness, relationships, stress management, sexual health, HIV/AIDS, immunity, cancer & cardiovascular health to name a few), learn about the "gold standard" of health in each area and to think/explore & question how this information impacts your health.

About Online Classes

This online course follows a semi-structured format. It **IS NOT** an open entry-open exit class. There are due dates for assignments, discussion questions and projects. **You should log in to Canvas and complete Orientation Modules A & B by Thursday Jan 21st. You will be withdrawn if orientation activities are not completed by Friday, Jan. 22. No exceptions!** There are penalties for late postings of any class requirements listed below. Students will be evaluated on quizzes, assignments and completeness of discussion question responses and projects. Is an online class right for you? [Take this quiz!](#)

Syllabus: HES100 Healthful Living

Course Description

Health and wellness and their application to an optimal lifestyle. Explores current topics of interest such as stress management, nutrition, fitness, and environmental health. Evaluates common risk factors associated with modern lifestyles.

Course Format:

Online (asynchronous) – Online courses are completely asynchronous. Students are required to have access to a computer/mobile device and Internet access.

Course Competencies

[HES100 Official Course Competencies](#)

Textbooks, Materials and Technologies

There is NO textbook required for this course. We will be using an Open Educational Resource (OER) approach that includes "Readings" provided in each module and content from the internet.

Attendance Requirements/Maintaining Status in the Course

It is expected that you will complete approximately 10-12 hours of online instruction per week, including, but not limited to, viewing course content, completing assignments, reviewing materials, reading textbook chapters and other associated coursework. Be sure to schedule regular hours for working on the course.

You must actively participate in the class by **posting** or **submitting** required course work in Canvas. If you are not actively participating in the course for 1 week you will be Withdrawn. Checking into Canvas or checking your grades **IS NOT** active participation!

You must log into the course on a weekly basis throughout the term and respond to messages sent by your instructor or you may be withdrawn from the course.

Grading Standards & Practice

There are approximately 800 points available in this course. Individual points for assignments and activities are listed in Canvas

GRADING SCALE: 100-90%..A 80-89..B 70-79.. 60-69..D 59-less..F

Syllabus: HES100 Healthful Living

Grading Schedule

Assignments/quizzes are graded within 24-48 hours of posting. Comments will be placed in your gradebook.

Discussion forums are graded bi-weekly or in "bulk" ...generally on Wednesdays and the weekends.

Projects are graded within 72 hours after due date.

Please feel free to email me with any questions or concerns. Check your grade book often and email me if a grade is missing or incorrect!

Late Work / Make-Up Exams

There is a 25% grade reduction per day for most assignments. After 4 days there are no points left!

Stuff Happens Pass

Students can use a "stuff happens" pass once during the course to remove late penalties from quizzes, discussions, projects or assignments if it is turned in within 1 week of due date.

Stuff happens pass option can't be used to submit work past end of the course (4/16). Please email me if you need to use your pass. Students that do not use the pass will receive 10 extra credit points at the end of the semester.

Course Readings

Topic readings are in each module and should be read prior to completing quizzes, assignments, projects and discussion forums.

Extra Credit

Unused stuff happens pass will count as 10 extra credit points

Complete 2 assignments located in the Extra Credit Module - 5 points

Communication

Communicate with instructor via email or virtual office hours. When emailing, please make sure you use your school email address via Canvas! Please review these guidelines and set up forwarding if you desire. You can access your Gmail at: <https://google.maricopa.edu/>.

You can phone my land office (FW-12) at 623.845.3804 but I prefer email and virtual chat as the main form of communication for this course.

Syllabus: HES100 Healthful Living

Logging In

You should log in to Canvas and complete Orientation Modules A & B by Thursday, Jan 21. You will be withdrawn if orientation activities are not completed by Friday, Jan 22. No exceptions! You need to meet the requirements of the class and submit assignments on time or you will not pass this class.
